A VALUABLE SUGGESTION Important to Everyone

It is now conceded by physicians that the kidneys should have more attention as they control the other organs to a remarkable degree and do a tremendous amount of work in removing the poisons and waste matter from the system by filtering the blood.

During the winter months especially, when we live an indoor life, the kidneys should receive some assistance when needed, as we take less exercise, and often eat more rich heavy food, thereby forcing the kidneys to do more than Nature intended. Evidence of lame back, annoying bladder troubles, smarting or burning, tick-dust or sediment in the urine, rheumatism, may be weak or irregular heart action, warns you that your kidneys require help immediately to avoid more serious trouble.

Many physicians claim that an herbal medicine containing no mineral or opiate has the most healing influence. An ideal herbal compound that has had most remarkable success as a kidney and bladder remedy is Dr. Kilmer's Swamp-Root.

You may receive a sample bottle of Swamp-Root by Parcel Post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention the Keytesville Weekly Chariton Courier.

Paul Cropper returned home Saturday morning from Columbia to spend the holiday season. John Miller also arrived home to remain a week. The boys were glad to get back to visit with relatives for a while.

Poor Blood is Responsible

for much sickness and suffering because its quality determines our resistive power. With poor blood we are languid, susceptible to colds, lack natural energy and ambition, and the gradual decline of strength makes prompt and careful treatment necessary. Drugs or alcohol cannot make blood and must be avoided.

SCOTT'S EMULSION is nature's grandest blood-maker because of its wholesome medical nourishment, so carefully predigested that it assimilates without taxing digestion and quickly increases the red corpuscles of the blood, strengthens the organs and tissues and upbuilds the whole system.

Absolutely nothing compares with SCOTT'S EMULSION to purify and enrich the blood to overcome or avoid anemia. It is totally free from alcohol or opiates and your health demands the purity of SCOTT'S.
